MATH 1311 – Calculus I, Fall 2006

Office: MMS 115F
Office Hours: MWF 10-11:30
            T 10-11, 3-5
Instructor: Brian Miceli
Email: bmiceli@trinity.edu
Web Page: www.trinity.edu/bmiceli

Course Description: Class will meet on MWF in MMS 140 from 12:30-1:20 or 1:30-2:20. We will cover the key topics in chapters 1-6 in the course textbook.

Prerequisites: Math 1301 – Precalculus or equivalent

Calculators: Calculators will not be permitted on the midterm or final exams, but they are allowed on all homework assignments.

Office Hours: The office hours listed above are times that I will be available in my office to answer questions. I will also make appointments to be in my office for special circumstances.

Evaluation:
Homework: 100 points
3 Midterm Exams: 100 points each (300 total)
Final Exam: 200 points

Total 600 points

The class grades will be curved at the end of the semester; however, there will be no grades between C- and F given.

Homework/Attendance: Homework will be due everyday at the beginning of class and each assignment will be graded out of 10 points. It is the student’s responsibility to do all assignments before the class in which they are due, and no late assignments will be accepted. You are only allowed to write on one side of the page, and all homework assignments must be stapled together with your name on them. Problems which are not written up clearly and neatly will receive no credit. At the end of the semester, the three homework assignments with the lowest scores will be dropped. On top of the daily assignments, there will be three review...
assignments that will count towards the final homework grade, one before each exam, and they will be worth thirty 30 points each.

Collaboration is a very important part of mathematics, and I encourage everyone to work together on homework assignments. That being said, it is never acceptable to simply pass off someone else’s work or ideas as your own. Therefore, you must cite sources on any work that is to be turned for a grade, whether it is from another textbook or from another student in class. Citing sources and giving credit to others for their ideas is a crucial part of any higher level of education, and this rule is not to be taken lightly, but also understand that you will in no way be penalized for quoting a textbook or getting a proof idea from a classmate as long as everything is cited properly.

Midterm Exams: There will be three midterm exams during the semester on the dates listed below. All exams will be returned to you in the following class meeting.

Final Exam: The final exam will be a cumulative exam, and the exam dates/times are listed below.

<table>

-------------------------------------------------------------

Final Exam If we meet on MWF 12:30-1:20
2:00 Tuesday, December 12th
If we meet on MWF 1:30-2:20
2:00 Wednesday, December 13th

Academic Honesty: I will strictly enforce Trinity University’s academic honesty policies. Please do not cheat or try to pass off someone else’s work as your own. I will immediately report any incident the proper university authorities.
**Disability Services for Students:** If you have a documented disability and will need accommodations in this class, please speak with me privately early in the semester so I may be prepared to meet your needs. If you have not already registered with DSS, contact the office at 999-7411. You must be registered with DSS before I can provide accommodations.
