Dear Eddy,

Every search is a moment of gaining clarity about our hopes for the future. The search for a new Vice President of Academic Affairs, especially to follow a well respected predecessor, is a particularly important task.

I am delighted that we succeeded in our search this year with the appointment of Dr. Megan Mustain as the next Vice President. I look forward to welcoming her to campus, working with her, and accomplishing the changes we desire as a community.

The search was not only successful in its outcome but also in its process. We reviewed an impressive applicant pool, screened candidates in the virtual realm, conducted informative “on-campus” interviews via Zoom, and carefully deliberated. I know that your service on this committee took a significant amount of time, and I appreciate your dedication, especially when we were working not only through a pandemic, but were also hit with “snowmagedon!” Thank you for all that you do to make Trinity University the outstanding institution that I have come to appreciate more every day.

Once Megan is here and we are able to have gatherings, I will organize a small event so that you can welcome her in person.

Best wishes for continued good health and productivity as we power through the Spring semester.

Sincerely,

Danny J. Anderson

President
