

MATH 3326 SPRING 2020

INTRO TO ABSTRACT MATHEMATICS

SECOND MIDTERM EXAM

DUE: WEDNESDAY, APRIL 22

YOUR NAME (PLEASE PRINT):

Averages

Instructions: This is an open book, open notes, take-home exam. You may consult any physical or electronic resource you find helpful, but **simply obtaining solutions directly is unacceptable**. If it is unclear whether a certain resource may be referenced, please ask! It should go without saying at this point, but all answers must be justified to receive credit. Solutions must be uploaded to TLEARN by the due date.

The Honor Code requires that you neither give nor receive any aid on this exam.

Please indicate that you have read and understood these guidelines by signing your name in the space provided, and **include a copy of this page with your solutions.**

Pledged: RCD

Do not write below this line

Problem	1	2	3	4	5	6	7	8
